

# Lenovo™ ThinkCentre M910z

## CUTTING-EDGE PERFORMANCE MEETS ENTERPRISE MANAGEABILITY

Powerful, dependable, manageable and secure... ThinkCentre M910z AIOs boost your organization's efficiency and productivity.

Packed with the latest Intel® up to Core™ i7 processor and vPro™ technology, Lenovo ThinkCentre M910z AIO is built for enterprise. With PCIe SSD and Intel® Optane™ technology\*, M910z AIO enables you carry out intensive task with ease. MIL-SPEC tested, meaning your AIO can still be reliable even in the most challenging environments. Plus built-in data security - these easy-to-use machines keep your workforce on task, and improve productivity.

\*Intel® Optane™ Memory will be launch in June 2017

### WHY YOU SHOULD BUY THE LENOVO™ THINKCENTRE M910Z

#### Powerful

Tackle spreadsheets, multiple presentations and photo editing with ease with the latest 7<sup>th</sup> generation vPro™-enabled up to Intel® Core™ i7 processors.

#### Easy Remote Management

With Intel® vPro™ you can remotely access your fleet of desktops - saving time and hassle on desk-side visits, and cutting down management costs.

#### Extreme Dependability

Put through a range of military-spec tests and over 200 reliability tests in everything from tropical climates to rough transportation conditions - rest assured ThinkCentre AIOs can handle almost any environment.

#### Reliable and Secure

Smart USB Protection prevents data from being transferred from USB ports while still allowing you to connect peripheral devices - so your data stays confidential. Plus, you can lock the inbuilt privacy camera with the flick of a switch for your peace of mind and privacy.

#### Twice As Easy to Service

Taking off the back cover, stand, and want to remove HDD, memory, all you need is your hand without tools. Tool less design makes repairing and replacing easier than ever.

#### Go Further Stay Safe

M910z allows you to tap into your own potential, while still preventing eye fatigue. The blue light coming from monitors can strain the eye, if exposed to it for long periods. Our Low Blue Light Eye Care feature allows you to keep working late without affecting your eyes.

### WHO NEEDS THE LENOVO™ THINKCENTRE M910Z?

- 1** Progressive ITDMs who want powerful, reliable and secure devices: ThinkCentre M-series AIO is enterprise ready delivering reliable performance in a single solution
- 2** Busy professionals requiring desktop-standard performance with plenty of horsepower and upgrade options
- 3** IT managers who value the ease of remote fleet management to save on hands-on time and operational costs

Low Blue Light Certification

#### RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your investment. Succeed with substance and let Lenovo Service support you all the way.

##### PRIORITY TECHNICAL SUPPORT

Makes your priority, our priority. 24 x 7 priority call routing to advanced-level technicians, electronic incident tracking, and escalation management services.

##### WARRANTY UPGRADES—ON-SITE AND NEXT BUSINESS DAY

Maximizes PC uptime and productivity by providing convenient and fast repair service at your place of business.

##### WARRANTY EXTENSIONS (1-3 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and lower the cost of ownership over time.

##### ACCIDENTAL DAMAGE PROTECTION

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

##### KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.

##### ASSET TAGGING

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.

#### OPTIONS & ACCESSORIES

Lenovo Privacy Filter for ThinkCentre AIO from 3M

Lenovo Professional Wireless Combo

Lenovo Stereo Headset

<sup>1</sup> TBR Large Enterprise Repair Rate Study 2011.

<sup>2</sup> CPU Socket is not included.
